Mr. Lowell Braxton  
Associate Director  
Utah Division of Oil, Gas & Mining  
3 Triad Center - Suite 35  
Salt Lake City, UTah 84108-1203

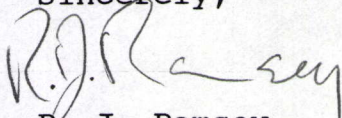

Dear Mr. Braxton:

Enclosed is the 1989 annual report of mining operations (Form MR-AR) for Barneys Canyon Mine. Construction and operation of the mine were begun in 1989, with the first gold pour on September 15. Current activities including mining at both the Barneys Canyon and Melco pits, are described in the revised Notice of Intent submitted to you on October 2, 1989. Reclamation activities have already begun with seeding of those areas disturbed by the construction which will no longer be active.

Also in 1989, a change in ownership occurred. There have been no changes in personnel or operations. A completed transfer of Notice of Intent (Form MR-TRL) is enclosed for your records. A reclamation contract (Form MR-RC) has not been submitted pending follow up from your department on alternate language previously suggested by Kennecott. A rider for the current bond (64S 100507894BCA) reflecting the new ownership is enclosed.

Please feel free to contact me or Ms. Cindy Emmons of the Kennecott headquarters staff should you have any questions regarding the enclosed information.

Sincerely,

  
R. J. Ramsey
